1) In accordance with Superfund Amendments and Reauthorization Act of 1986, §104 (b)(2) and §122(j), the EPA provides notification of the following: *(check one ☒)*

☐ Potential damages to natural resources may result from releases under investigation at the subject site, as determined from ongoing assessments or investigations. (§104(b)(2) SARA)

☒ You are encouraged to participate in the upcoming negotiations as you deem appropriate. EPA intends to initiate negotiations with potentially responsible parties about the subject site, such that they may conduct or finance a remedial investigation/ feasibility study at the site. (§122(j) SARA) *(remedial process)*

☐ A request for preliminary decisions on a covenant not to sue for natural resources, or an all claims release.
